Faith

St. Vincent's students learn in an atmosphere where the education of the whole child is fundamental; an education of mind, hearts, and souls with a curriculum enhanced through the integration of Catholic faith values. We believe this is possible through the support of our school families, parishioners, and a dedicated faculty and staff committed to preparing students to lead lives of meaning and purpose.

Service

At St. Vincent's, serving others is integrated into our students' every day life. Food Pantry collections, donations to various shelters in our community, our Annual Seniors Thanksgiving Dinner given by the seventh grade students, and our PB&J Club are some of our school's conscientious efforts to serve others.
